Preface to the Eighth Edition

The first edition of this book appeared in 1981. It has changed considerably over the years since, thanks to periodic revisions occasioned by developments in the law and literature, but the original aims and methods of the book have held steady. They are set forth in the Preface to the First Edition, reprinted in part on the following page.

As always, our work on the book has benefitted from the contributions of students, colleagues, friends, and institutions. We are grateful to them for their help, and hope the following list does justice to everyone: John Echeverria and Lee Anne Fennell (colleagues in arms who helped us with our treatment of materials in the book); Phil Caruso, Kate Gilbert, Jack Grein, Frances Lewis, Andrew Robb, and Mark Rohan (for research assistance); Laura Watson (for research and editorial assistance); Troy Froebe and Darren Kelly (for design and editorial assistance); Lyndsey Clark, Katy Morris, and John Niederbuhl (for administrative assistance); and the law libraries of Cornell University, the University of Chicago, and the University of Michigan.
